FACTUAL BASIS & LEGAL ARGUMENT

6. Provide all factual allegations in support of your protest. If any fact you allege is outside the scope of your personal knowledge, you may attach affidavits from those who have personal knowledge of that fact. All facts you allege in connection with this protest must be true and accurate to the best of your knowledge, and brought in the sincere belief that the facts alleged form a good faith basis to protest the conduct and results of the election.

It appears the county board of elections has counted ballots cast by overseas voters without requiring the voter's to provide a copy of their photo identification. EXHIBIT A is an email from Karen Brinson Bell, Executive Director of the State Board of Elections, in which she states: "When a military or overseas citizen voter submits their ballot, neither federal nor state law requires them to provide ID when returning their ballot."

Article 20 of Chapter 163 of the General Statutes requires absentee ballots to include a photocopy of the voter's photo identification or an affidavit establishing an exception to the photo-identification requirement. N.C. Gen. Stat. § 163-230.1(f1). Absentee ballots under Chapter 163 include traditional mail-in absentee ballots under Article 20 and military-overseas ballots under Article 21A. *See, e.g.,* N.C. Gen. Stat. § 163-132.5G(a1)(4). Moreover, N.C. Gen. Stat. § 163-239 states that the provisions of Article 21A (concerning overseas-military ballots) "shall not apply to or modify" the absentee ballot provisions unless "provided therein." N.C. Gen. Stat. § 163-239.

Upon information and belief, the county has accepted, processed, and counted absentee ballots by overseas voters who did not provide a copy of photo identification (or an exception form). A board director and/or board member for the county confirmed to NCGOP legal counsel that this was the practice of the board. These actions violate North Carolina law. Before filing this protest, we submitted a public records request to the county board of elections seeking the information necessary to identify such voters. At the time of the protest, the request remains pending. Once the information is provided, we will supplement the protest.

7. List all individuals, if any, you may call as witnesses to substantiate facts listed in Prompt 6. If there are multiple individuals, summarize the facts of which the individual has personal knowledge.

Subject: Your recent letter

Ms. Rebuck, (bcc: State Board Members and county election directors)

We write to express concern about a letter that you wrote that was forwarded to us by the elections director in another county, who received it from a state legislator asking her to respond. Your letter has been forwarded to a wide audience, and unfortunately, it contains false and misleading statements, and partisan remarks.

We are forwarding your letter and our response to the five members of the State Board of Elections and to all county directors so they can respond as necessary if they receive inquiries. This has required State Board staff to spend our limited resources drafting this letter and researching and providing the facts.

We are always available to county board members with questions or concerns about election administration, and we hope that in the future you will reach out to us should you need clarification to avoid the potential spread of false or misleading information, which undermines our common goals of administering elections according to the law and promoting confidence in our elections.

Please see our responses in red to your italicized statements below. We are happy to answer any questions you have about them.

"I am a member of the Henderson County Board of Elections and have served on the Board for over 6 years. I am frankly very discouraged about the upcoming election. I want to strongly state my belief that if you do not intervene immediately either legislatively or legally, we are going to lose NC to the Dems in November which will likely mean we lose the country. The responsibility will be yours, one way or the other."

Given the partisan statements in the above, we remind you of the requirements of [Article 4A of Chapter 163](#) of the North Carolina General Statutes. Whether or not the statements violate these provisions, it undermines the public's confidence in the fair administration of elections if their elections officials are widely communicating their desire for a particular outcome in an election they oversee.

"I am aware that Henderson County has recently received hundreds of new UNOCAVA (Overseas Civilian) applications." There is NO requirement to verify these people AND they do NOT have to provide ID when sending back their vote (by mail or email)."

UOCAVA, which stands for Uniformed and Overseas Citizens Absentee Voting Act, is a federal law prescribing specific procedures for military and overseas citizens to be allowed to vote in federal elections. Our state has adopted laws under Article 21A of Chapter 163 to carry out these procedures. When military and overseas citizens register to vote under these procedures, they typically provide either their Social Security Number or driver's license on the prescribed [federal form](#). When county officials input those values into the statewide database, the statewide database

automatically attempts to validate those numbers with the DMV and Social Security Administration. For civilian voters, if a number does not validate, state law requires the voter to provide an alternative form of ID before they vote for the first time. UOCAVA voters are expressly exempt from this requirement by state statute and have been for nearly 20 years. GS 163-166.12(f)(3).

When a military or overseas citizen voter submits their ballot, neither federal nor state law requires them to provide ID when returning their ballot.

“I believe this is a concerted effort to turn Henderson County blue. However, I believe that if you check with other counties, you will see that the numbers have grown substantially in every county. I have heard numbers as high as 300,000 statewide so far. I believe that there is a statewide effort under way to undermine the election.”

Again, we caution you about statements favoring or opposing particular outcomes in the elections you oversee.

We spoke with the Henderson County director, and she confirmed on August 23 that Henderson had received fewer than 150 UOCAVA requests. In 2020, according to State Board data, Henderson County received 347 requests for absentee ballots from military and Henderson County voters living abroad at the time. So, the number of requests is not necessarily high in 2024 as you suggest. Ballots go out in two weeks.

It is also possible that advocacy groups and others are encouraging military and overseas voters who are U.S. citizens to request their ballots. There is nothing wrong with that and, in fact, that is activity protected by the First Amendment of the U.S. Constitution.

Until ballot styles are finalized, we do not know how many UOCAVA requests have come in statewide. However, the State Board has no evidence of a “statewide effort underway to undermine the election.” If you have actual evidence of such, please provide it to the State Board or to the law enforcement agency of your choice. Otherwise, your statements are sensationalistic and inflammatory and will undermine voter confidence with no facts to back them up.

“Additionally, Henderson County has received numerous new voter applications that do not have HAVA required information to register (missing Driver's License and/or last 4 of SS or those numbers were not validated). The State BOE has instructed Counties to go ahead a register them without verification.”

This is false. The State Board, both in emails and in a statewide Huddle training session, have instructed county boards as follows:

- If a new voter does not provide their driver's license number or last four digits of their Social Security number and does not check the box to indicate that they do not have either of these numbers, then the voter will not be registered and will be sent an incomplete letter seeking the missing information.
- If an applicant provides a driver's license number or last four of their Social Security number but that number does not validate, then their registration should be processed but they must be sent a “request for identification letter.” If the voter subsequently provides the ID information, their

profile is updated. If they do not, they must provide an alternative ID proving their identity (so-called “HAVA ID”) before voting, or vote provisionally. See GS 163-166.12(c). See the [Request for Identification Information letter](#).

- If a new voter checks the box to indicate they do not have either identification number, then they will be sent a “request for identification” letter and be required to show a HAVA ID before they vote.

“There have been over 10,000 voters registered state-wide in the last 3 months with unverified or no Dr License or last 4 of SS numbers and therefore HAVE NOT BEEN VERIFIED. So even though the information provided does not match (validated) the application is automatically approved. This is just common sense-the identity of the voter should be verified before entering them on the voter rolls. This is an open invitation for missing or unvalidated applications to be approved and entered into the system.”

See the note above about the additional verification requirement for voters whose ID numbers fail to validate.

Here’s some additional important context. When a number does not match, SEIMS will not populate that field, so if we run a query in the database to see which registrations lack these identifiers, the query shows registrations where an identifier was provided but the number did not validate. To attempt to validate DLs or last-four SSNs, the SEIMS system sends a database query to DMV databases and the Social Security Administration databases, asking those databases to attempt to match specific information in records on both sides. It is not uncommon for a person’s ID to fail validation. There are a number of benign reasons this can occur, and occur regularly, which has been well [documented](#). The DMV/SSA requires exact field matching on name, DOB, DL/SSN so there is no current way to identify possible matches. Common reasons for validation failure are: misspelling of names, variation of names (Bob vs. Robert, maiden name vs. married name, varied designation of surnames for minority ethnicities, etc.), nickname or a missing suffix missing (Jr. or Sr.), inadvertent typos like missed numbers or transposed numbers in DL or last-four SSN, typos in birthdates, and situations where a registrant listed month/day/year in the wrong order on their registration form (there could be [national origin-based reasons](#) for this). Recognizing the faults in matching between distinct databases, the General Assembly enacted the provisions in GS 163-166.12(c) which allow a registrant whose DL or SSN did not match to provide HAVA ID either before or when first voting.

“Another concern is preventing non-citizens from voting. Putting the matter on the ballot in November is too little, too late. The legislature passed SB 747 requiring clerks of superior court to provide lists of people who have been excused from jury duty indicating that they are not US citizens. However, according to the SBOE this will not take place until after the November election.”

This is false. The superior court clerks are (and have) provided such lists, and State Board staff is reviewing those and contacting any registered voters who are identified and for whom a state and federal database check does not show they have obtained citizenship. After nearly every county clerk submitted any records of jurors excused for non-citizenship, there were 9 registrants total identified through these checks statewide. While it is true that federal law (NVRA) prevents us from outright removing these records this close to a federal election, we are nonetheless going to

encourage any of these identified registrants to cancel their registration if they indeed lack citizenship. After the federal election, we can resume this program and conduct removals similar to how we process felon removals, rather than the notices and invitation to cancel registration which is as much as we can do and still comply with federal law.

“You have allowed the SBOE to drag its feet (I believe on purpose) on all of these matters. This must be rectified if you want to win in November. I am not asking for anything that would be unfair to anyone, I just want the laws enforced to make it fair for everyone. Frankly, the county BOEs are nothing more than a rubber stamp and we have to sit there and vote to certify without any real ability to legally object. Again, the success or failure of this election in November is on you. I implore you to either fix this legislatively or in Court.

Best wishes in November, you will need it!”

Again, we remind you of the prohibitions in the law on political activity by county board members.

We again invite you to contact us in the future to clear up your misunderstandings about election processes and the law.

Regards,

Karen Brinson Bell, CERA, PMP
