5. This protest alleges (*select at least one*):

- ☐ A defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election.
☒ A violation of election law, irregularity, or misconduct sufficient to cast doubt on the apparent results of the election.

FACTUAL BASIS & LEGAL ARGUMENT

6. Provide all factual allegations in support of your protest. If any fact you allege is outside the scope of your personal knowledge, you may attach affidavits from those who have personal knowledge of that fact. All facts you allege in connection with this protest must be true and accurate to the best of your knowledge, and brought in the sincere belief that the facts alleged form a good faith basis to protest the conduct and results of the election.

It appears the county board of elections has counted ballots cast by voters who were deceased on election day.

North Carolina law conditions eligibility to vote upon being alive on the date of the election. N.C.G.S. § 163-82.1(c)(2). Therefore, a ballot cast by absentee-by-mail or early voting is only valid if the voter is still alive and

otherwise eligible to vote on election day. If a person casts a ballot but dies before election day, the ballot should be challenged by the board or elections staff. *See* N.C. State Board of Elections, Reminders for One-Stop and Absentee by Mail Challenges (Mar. 2, 2020, updated Nov. 2, 2020).

We have identified voters in the county who appear to have cast a ballot but died before election day. EXHIBIT A is an affidavit that includes a list that identifies likely voters that was created from information provided in response to public records requests. It appears that some, if not all, of these ballots were accepted, processed, and counted by the county board of elections. These actions violate North Carolina law.

7. List all individuals, if any, you may call as witnesses to substantiate facts listed in Prompt 6. If there are multiple individuals, summarize the facts of which the individual has personal knowledge.

8. Cite any statute or case, administrative rule or decisions, and election policy or procedure that supports your claim set out under Prompt 5.

N.C. Gen. Stat. §§ 163-183-82.1(c)(2), -82.14(b).

RELIEF

9. What effect do you believe the facts alleged in response to Prompt 6, if proven, will have on the electoral outcome in the protested contest(s)? Your response should account for the current vote margin calculated in response to Prompt 4.

☐ The electoral outcome of the protested contest(s) will change.

I, Ryan Bonifay, being duly sworn, depose and say as follows:

Background and Experience

1. I am over 18 years of age and competent to make an affidavit.
2. I have personal knowledge of the matters described herein.
3. I am a citizen of the United States and a resident of Lexington, Davidson County, North Carolina.
4. I am employed as Director of Data and Analytics at Coldspark, a political consulting and strategy firm. I have been so employed since January 2023. Previously, I have been employed by the Republican Party as Regional Analytics Director and State Analytics Director for North Carolina, as Data Director for Engage Texas, and as Data Director on U.S. Senate, congressional, and gubernatorial campaigns. Altogether I have approximately 10 years of experience as a data analyst for political campaigns and parties, all of them Republican. I have previously worked on North Carolina elections during the 2016 and 2020 election cycles.
5. I was retained by the North Carolina Republican Party to review and compile publicly-available information from the North Carolina State Board of Elections, either on their website or received through public records requests, in connection with the filing of election protests.

6. In my professional work I have become familiar with public sources of data on voter registration and voter turnout in North Carolina, and with the inputs to and limitations of such sources.

Assignment

7. I was asked to submit this affidavit in support of election protests filed with county boards of elections across North Carolina.

8. I was asked by counsel to generate lists of individuals who cast a ballot during early voting or cast an absentee ballot, but passed away before Election Day, based on publicly-available data.¹

9. In aid of compiling this data, lawyers for the North Carolina Republican Party made numerous requests for information under North Carolina's Public Records law. Once the relevant public agencies produced their responses, I attempted to match the produced records to public voting records to identify voters who may have cast a ballot but were ineligible to do so as of Election Day. The process for doing so is described in more detail below.

10. On November 18, 2024, NCSBE produced two files: (1) one entitled "2024-11-12 Audited Data.xlsx" that contains a tab entitled "DHHS 2024 With Votes" containing 182 entries, and (2) a second file entitled "2024-11-07 Audited Data.xlsx" that contains a tab entitled "Deceased with Votes" containing 329 entries. I understand this to be NCSBE's internal audit of voting records relating to early and absentee voters who passed away ("DHHS 2024 With Votes" and "Deceased with Votes") before Election Day. This data was more complete and usable than previous productions, so I primarily relied on it.

¹ All references in this affidavit to Election Day refer to November 5, 2024; similarly, references to voting, casting a ballot, voting early or absentee, etc. refer to doing so in the November 2024 general election.

11. I combined the information contained in both of the November 18, 2024 files received from the NCSBE and de-duplicated the records (so the same individuals did not appear multiple times in the dead voters list) in order to generate the combined list of deceased voters from the NCSBE.

12. I attempted to match names on the combined list of dead voters to the statewide voter list, filename ncvoter_Statewide.zip, and absentee voter list, filename absentee_20241105.zip. Both are available on the NCSBE's file transfer protocol site, dl.ncsbe.gov/?prefix=data/ and https://dl.ncsbe.gov/?prefix=ENRS/2024_11_05/.

13. I matched the deceased individuals against the statewide voter list and the absentee voter list using the NCID (a unique identifier issued by NCSBE) and the voter's name.

14. This process resulted in a list of likely matches in this county, which is attached as **ATTACHMENT 1**.

15. Accordingly, Attachment 1 contains a list of people who (1) attempted to vote in the 2024 General Election before November 5, 2024 (via early vote, absentee by mail, etc.), (2) had their vote accepted by their applicable county board of elections, and (3) died on or before November 4, 2024. Attachment 1 contains additional information about each individual which was contained in the information from the NCSBE.

16. Attachment 1 does not include whether the applicable county boards of election challenged each of these voters, as that information has not yet been made available by the NCSBE.

Further, the affiant sayeth not.

This 19 day of November, 2024.
